

CURRICULUM VITAE

Helene Granqvist

August 11, 1961

Producer

Nordic Factory Film & TV Sweden AB

After graduating from The Royal Theatre School in Copenhagen in 1988 Helene Granqvist spent a decade working as a set designer for film, theatre and national television. In 1999 she started realizing her vision of an alternative, interactive and Internet based TVchannel. That was the first step towards building her first company Good World and her starting point as a producer. Helene is innovative as a person and talented as a networker with connections within various Scandinavian cultural spheres. She is devoted and engaged in developing talents, social innovation, sustainable development and in developing alternative economies. As a producer and director she always seeks the true motivational forces; the spirit and the joy.
